Meadville, PA, May 1, 2025 — Crawford Masonic Lodge No. 234 is launching a campaign to support Women's Services in Crawford County. This effort focuses on raising funds and collecting clothing and supplies for Women's Services to help victims of domestic and sexual violence by providing them with essential and much needed resources.

Crawford Masonic Lodge No. 234 has a long-standing commitment to community support. This campaign is one small step toward reaching more people in need. For many years, Crawford Masonic Lodge No. 234, along with other Masonic Lodges in Crawford County, has held an Annual Coats for Kids Drive, providing area children in need with winter coats, hats, gloves, and boots at no cost. Members also volunteer to staff the Courtesy Carts at the Annual Crawford County Fair, providing transport to those needing assistance to/from their vehicles. Crawford Masonic Lodge No. 234 now aims to expand its reach and support.

"We are grateful to have the opportunity to work alongside our community on the Women's Services Support Campaign," said Charlton Adsit III, Worshipful Master of Crawford Masonic Lodge No. 234. *"By collaborating with Women's Services, we can provide real support for those in our community facing challenges."*

"We are thrilled and humbled by the Crawford Masonic Lodge No. 234's very generous act of charity and the children and adults we serve will benefit immensely from their acts of kindness." Said Women's Services Executive Director, Bruce Harlan.

Crawford Masonic Lodge No. 234 is holding periodic raffles, with a portion of the proceeds going to Women's Services. Additionally, it is gathering and storing good, clean clothing and household supplies for provision to Women's Services as needed. Community involvement is essential to the success of this campaign, and Crawford Masonic Lodge No. 234 encourages the public to participate by purchasing its raffle tickets and donating good, clean clothing and household supplies.
